

SUBMISSION RULES & GUIDELINES

GUIDELINES

Submissions of either screenplays or films must be submitted electronically via email to submissions@communityflicks.com. Community Flick's website form must be completed and submitted before submitting content. Please see the website for additional information.

FILM AUDITIONS

The submission timeline for Film Auditions is from July 1st to July 14th. Selection is announced on the second Thursday in September.

CALL FOR SCRIPTS

The submission timeline for Scripts is from November 1st to November 14th. Selection is announced on the last Thursday in January.

All submitters of material maintain all rights to submitted content unless an agreement is signed to establish otherwise.

LINKS

The submitter must provide Community Flicks with access to content links that are password protected. Links that are not accessible throughout our screening process will result in an automatic submission decline.

Screenplay and Film submissions are open to Community Flick's supporters throughout the United States. Submissions received outside of designated submission timelines will not be considered. Only short films are accepted for **film auditions**. Each Call for Scripts will announce the acceptable script type.

The writer or Filmmaker must attend the premier to present their content.

RULES

All submissions must coincide with Community Flick's Terms and Conditions, specifically the portion that states the following:

"The primary purpose of all content is to address the fears, challenges, and cultural issues (social and otherwise) that God deems detrimental according to HIS Word as preserved in the Holy Bible. All topics

are to be addressed with the love, compassion, truth, and caring concern taught and demonstrated by Christ. Content produced by Community Flicks is intended to reach Generation Z without the use of profanity, sexual or intimate encounters, or excessive violence."

RULES (continued)

The length of film audition submissions should not exceed (20) minutes. The length of screenplay submissions cannot exceed (40) minutes (40 pages).

Submitters must be age 18 or older.

DISTRIBUTION

Community Flicks does not distribute film Audition submissions unless the submission is selected to serve as the Community's featured attraction.

Community Flicks distributes films produced from script submissions per the distribution agreement between the screenwriter and Art for Growth. Neither the Community nor the screenwriter receives monetary compensation for short films. Once Community Flicks begins producing features and episodic content, the distribution department will meet with selected screenwriters of said content to draw up a distribution agreement. Writers of short films included in anthology series will be offered a distribution agreement and compensated accordingly.
